

“Now I have the Bible in audio I hear God speak to me in my own tongue”

*Elizabeth from Kenya –
a believer who waited 22 years
to have the Word of God.*

A billion people can't read – but only 5% of languages have the Bible in audio.

We are **passionate about ending Bible poverty** – and working for a day when the Bible's God-given revelation, inspiration and wisdom is shaping the lives and communities of people everywhere.
