

# “It is the first time that these children have received spiritual food.”

*Director of an orphanage in Cameroon –  
where the children were so grateful not to be forgotten.*

By 2025, 70% of Christians will live  
in countries where poverty is a major issue.

We are **passionate about ending Bible poverty** – and working for  
a day when the Bible’s God-given revelation, inspiration and wisdom  
is shaping the lives and communities of people everywhere.
