

## **Be a voice for Bible poverty...by becoming a Church Rep**

### **What's a Church Rep?**

A Church Rep is the voice for Bible poverty in their church, who works to put their church at the heart of the mission to bring the Bible's life-changing message to those who wait for it.

They do this by passing on the message where it counts and acting as the link between Bible Society and the church leadership.

### **What could I be doing?**

You could help your church grasp the scandal of Bible poverty around the world by:

- using stories, news updates and audio-visual resources we'll send you
- keeping the issue of Bible poverty on your church prayer diary
- encouraging people to sign up for "Word in Action"
- encouraging people to give the gift of a Bible each month by becoming regular donors
- encouraging your church to celebrate Bible Sunday every year (great fundraising resources are available for you)
- encouraging people from your church to attend local Bible Society Vision Events

### **How much time is involved?**

You'll spend time each month sharing news and resources with your church. But the more time you have available, the more you will be able to achieve.

### **What could I gain from being a Church Rep?**

You'll:

- use skills and experience directly in work that builds God's kingdom
- have the satisfaction of knowing that your efforts are changing lives around the world
- be equipped with resources and information as you fulfil your mission to bring the Bible to those who wait for it

### **Will I have support?**

You'll have the support of one of Bible Society's Local Reps in your area and there's always help available from Bible Society staff. We're at the end of the phone so call us whenever you need to.

There will also be plenty of people praying for you!

And you'll be closer to what God is doing in the world.
