# Ways you can celebrate!

Present a new act of Collective Worship in your school(s) using *About a Book - The story of Josiah* written by Bob Hartman, author of *The Lion Storyteller Bible*.

Celebrate in your church(es) with your team and/or others using our special video, PowerPoint and service outline. You can also purchase exclusive merchandise at one of our national celebration events.

Run an event to share the fun and increase your team members, prayer partners or costume and prop makers using the promotional event posters and A-Z guide for ideas.

Go big and work with your school to present a school production called *Open the Book: A Play for Schools* written by Paul Kerensa (Christian comedian: 'Pause for thought' BBC Radio 2, writer of *Miranda*).

Help us grow and achieve our vision – raising funds for our work helps us provide training and spread OtB in new areas. Use our A-Z guide for ideas.

From January 2019, every team should receive a pack in the post but you can also download these resources from [openthebook.net/anniversary](http://openthebook.net/anniversary). You can request more gift aid envelopes and stickers by calling us on 01793 418355 or emailing [enquiries@openthebook.net](mailto:enquiries@openthebook.net).
