

Pass it on: the Bible verse that matters to me

Prayer points

Pass it on: the Bible verse that matters to me is a Bible Society campaign to encourage people to share words from Scripture that have touched their lives. We'd love to see people pass on verses to their friends, family and to the next generation, in order to demonstrate the power and impact of the Bible and spur on others in their faith. Please use these prayer points in your small group, service or prayer meeting.

- Give thanks for the Bible; for the way God can speak to us through his word, and for the hope, challenge and encouragement we find in its pages.
- Give thanks for translators, printers and Bible distribution agencies through the ages, who have enabled us to have the Bible in a language we can read and in a format we can use.
- Pray for people today who work to pass on the Bible to more communities. Pray for our team of faithful translators. Lift up to God our staff in the Middle East who risk so much to get the Bible to those seeking Jesus.
- Ask God to challenge us on our role in keeping his word 'living and active', and pray that Jesus will be our inspiration as we pass on the verse that matters to us.
