

## Be part of our Team at Mary Jones World

### *What's Team Mary Jones?*

The Team at Mary Jones World are a wonderful group of people who come into the centre in Bala, Gwynedd, to work alongside the staff. The people who volunteer have a desire to welcome and serve visitors to the centre, and we can't tell you what a great help they are.

### *What would I be doing?*

- Giving time to assist with the smooth-running of Mary Jones World
- Helping to open and close the centre each morning and evening
- Welcoming visitors when they first arrive at the centre
- Answering questions and offering visitors useful information
- Supporting staff with administrative duties

### *How much of my time is involved?*

- As much as you want to give. Time is precious so we make charity volunteering for Bible Society convenient for you, so that you can enjoy every moment.
- Team Mary Jones volunteers typically come in for a day a week, but we're open to any suggestions.

### *What's in it for me?*

By joining the team of Bible Society volunteers, you'll be using your skills and experience to offer the Bible to the world. And that's pretty significant, isn't it? You'll be part of a great project, and we hope you'll enjoy working alongside a team of people who share this mission.

The Mary Jones World is a stimulating centre, full of fascinating stories and interesting facts for visitors. If you enjoy seeing people discover new things about history, language, faith and the Bible, you'll find this experience really satisfying.

Full training will be given and a warm welcome awaits you.
