

Jesus feeds 5,000

Hungry, hungry

Longing for food

As they waited they became more confused.

“Where is this Jesus they tell us about?”

“How do we get him?”

I know lets shout.

The people gathered and came up with a plan.

Then they shouted “Jesus! Jesus!” AND...

Jesus appeared out of the blue

Then the people shouted

“WE NEED SOME FOOD!”

There was a young boy

And in his hands

He carried a plate which came from his Nan.

On his plate

He carried some bread

Some fish and more but wait that’s not the end.

Jesus took this plate of food

And then he prayed

Then ...Boom!

Masses and masses of food appeared

Then Jesus fed the pairs.

There was so much food that everyone was full

Then the people thanked God for what he had done.
